

Privacy Policy

This policy applies to all information collected or submitted on Taralli's app for iPhone and any other devices and platforms.

Information we collect

Taralli operates without user accounts. We do not collect or store personal information such as email addresses or passwords.

We may collect anonymous statistics about food entries to help improve our food tracking model and recommendations. This data is completely anonymized and cannot be traced back to individual users.

Technical basics

All data you enter is stored locally on your device and is not transmitted to our servers.

If you enable notifications, we must store a token to send them.

Our server software may store basic technical information, such as your IP address, in temporary memory or logs.

Ads and analytics

Taralli does not display ads or use third-party analytics services.

Information usage

We use the anonymized information we collect solely to operate and improve our app and food tracking model.

We do not share any information with outside parties.

Security

Your food tracking data remains on your device. We implement security measures to ensure any anonymized data we receive cannot be traced back to individuals.

Accessing, changing, or deleting information

Since all your data is stored locally on your device, you can access, change, or delete your information directly through the Taralli app.

Uninstalling the app will remove all your data.

Children's Online Privacy Protection Act Compliance

We never collect or maintain information from those we actually know are under 13, and no part of our app is structured to attract anyone under 13.

Your Consent

By using our app, you consent to our privacy policy.

Contacting Us

If you have questions regarding this privacy policy, you may email privacy@taralli.app.

Changes to this policy

If we decide to change our privacy policy, we will post those changes on this page.
